My dear Dr Hill,

Yours is just rec^d.

I hope to meet you at
the ans. and although
all "Modern Athies" may
not be moved at your

at my house. It is
sometimes called "Liberty Hall."³

Both Dr's Huntington

and Nicholson will claim
you for a part of the
time, as well as others,
some of whom may
come to greet you on
Thursday evening.

Please do not let either
Mrs Hill, or yourself get
sick - With the assurance
of my love and sympathy
