

Trenton, N. J.

13 Jan. 1869.

Rev<sup>d</sup> Doctor & Dear Sir,

Several months ago I wrote you care of the Miss. Com. in N. Y. to invite you to visit Trenton. Not hearing from you I have feared that my letter did not get to you, and therefore write again hoping I may not be thought too importunate. My former invitation was given after I had had an interview with you at the Div. Conv. at Newark. At that time I informed you I had residents in my parish two Greeks of your acquaintance, Mr Perdicaris and Mr. Anastaki, and you then expressed a desire to see them before you returned to your Mission. These gentlemen have both desired me to write

and in their name as well as  
my own invite you to Newson.

I understand from the papers  
that Mr. Hill is now with you  
in the country. Please consider  
the invitation extended to him,  
and make your arrangements,  
if possible, to us to pass Sunday  
here and occupy my pulpit.

Please give me an early  
answer, and believe me  
with sentiments of unfeigned  
respect,

Yours in the holy ministry  
Albert U. Stanley.

The Rev<sup>d</sup> Dr. Hill.
