My dear D Hill

As you have no appointments next week after Sunday - I have thought it probable you would choose to remain in Hartford for some days and go to Boston towards the close of the week. - I do not think it will be convenient for me to go on before Wednesday meanwhile however, I will advise the Boston of your coming - Mr Merrill was in Boston last Sunday at Trinity Ch. He saw D Bolles who said he would be glad to welcome you to his house and to hear you preach at the "Advent" either in the morning or evening -

It will be a relief to your mind to know that the Treasurer gave me a check on Saturday for a part of Mr. Hordeshill's bill the balance is to be paid some day this week.

Please drop a line a day what time you will probably go to Boston -

Give my cordial regards to Mr. Hill -
Hope you are both quite well -

Faithfully & truly

Bro D Hill
