

St. Sulpis Rectory -
Rochester, Dec 14-08

Rev. & Dear Bro,

The St Ch authorities find it impossible to get a congregation on Wednesday Eve, especially as the Xmas decorations will be occupying the Church.

The best that can be done is to have a joint service at Grace Ch. for Grace & St Churches - in the evening.

I have given the requisite notice. Mr. Erickson will entertain Dr & Mrs. Hill, and I will meet them at the depot with a Carriage. I know the Dr. by sight, but should I miss them in the crowd, let them await me in the Ladies' Room. Notify me by what train to expect them. Faithfully & anxiously.
