

My dear Doctor Hill

Is it possible that you
are again in N. York & without
near Mr^l Hill? It is impossible
for Mr Dutch to spare time
to go up town, & still we
want to know all about you.
We have the house too full
to be able to offer you a
comfortable room - but do
call at the office again &
perhaps Mr Dutch could

persuade you to come over
& spend a day with us.
We will move in town the
middle of Oct & then hope
to see you often — for
behind me, I shall always
feel the greatest interest
in you, dear Doctor Hill
& I am

Very sincerely Yours
Susan M. Dutett
