The Pious

2<sup>nd</sup> - May, 1872

My dear W. Hill

We were indeed  
sorry to hear that you had  
been suffering from gout  
again but trust you are  
all right now.

I send you the Suisse of  
the 18<sup>th</sup>, the 19<sup>th</sup> we have  
not yet received or you  
should have it with pleasure

We were grieved to hear  
that poor Mr. Gracebridge  
had had another fit.

I had a few lines from  
Mrs. Leever the other day  
from Syria. She had evidently  
passed any thing but a  
happy time at Tunis, &  
intended leaving for  
England by last steamer  
for Marseilles.

With love to you all  
Very sincerely y<sup>r</sup>s  
Isabella D. Martin
