

ATHERSTONE HALL,
ATHERSTONE.

16 Oct. 1873.

Dear & dear Sir I have to acknowledge
your letter of Sept. 30th enclosing a
bill for £11.18.0 and the vouchers for
the sums expended on the water works.
The expense seems to have ^{been} unarridable,
and I am much obliged to you for your
clear explanation of the circumstances.

I hope the improved supply of
water may increase your
export - I enclose a receipt for
the rent - The vouchers I retain

as you kindly say you will not
want them again.

I am sorry when you have been ill
with gout - Mrs Maudslayi continues

very fairly well -

Believe me with best

respects to Mrs Hill

Yours by Dr. H. J. J. J.

Brompton.
