

Hotel d'Angleterre \$
Monday 3th April

Dear Mr. Hill

I write for my Daughter to acknowledge your kind note of last night & to say how much we hope D.^r Hill may feel himself better & up to performing the interesting Service today.

The Wedding Party, consisting only of ourselves & the Bride's fellow-Lady's Maid, will leave the Pirous by 12 o'clock Train & drive straight from the Station to your House, so that it will be about 1/2 past 12 when we arrive which we hope will suit D.^r Hill.

Yours most truly
Sarah E. Hay Williams
