

E7. 66

Patras Oct. 11. 1856.

My dear Sir,

I had the pleasure  
of receiving some time  
since your note delivered  
by Signor Pasouzi on  
his return from Patras  
after the settlement of  
his claims with certain  
parties there by mutual  
agreement. I am now  
induced to furnish the  
bearer of the present,  
Signor Manussos, an  
Ionian Subject, who has  
been for some years past

fulfilling the duties of  
professor of the Italian  
language at Livorno,  
with a few lines of intro-  
duction to you at his  
request, although from  
what I understand, he  
is proceeding from hence  
to Athens by way of the  
Piræus direct. Under  
such circumstances he may  
not have occasion to avail  
himself of your good offices  
and I will only add that  
Signor Mannesio has always  
borne a high and honourable  
character in these parts,

and that he is furnished  
also with testimonials  
as to his ability and  
assiduity in the duties  
confided to him at Yauina.

Believe me to remain,

My dear Sir,

Ever yours Truly,

Sidney Smith Saunders
