I beg to acknowledge the receipt of your favour 7th Inst. -
I feel extremely gratefull for your remittance with of 500 to balance the amount
Invoice of the Piano forte and am very happy to learn that the instrument
agreed with your expectations.

As for the price of a square Piano nut-wood you might get it at 200
but already used; if new it would cost of 260.-

I remit you hereby different sketches of Harmonium and Thisarmonique
and relative prices.

I recommend to you the Thisarmonic of Vienna No. 1. marked of 230 which
owing to the low price and good quality is realy worth your attention.

Should you feel inclined to buy some be kind enough to enclose the sel-
lected sketch and I will immediately forward it to you with pleasure.

Present my best compliments to friend Mr. Fabrichesi and beg to consider
