New Apr: 28. 1859.

My dear Sir; Miss Kontaxsky  
Miss Kontaxsky  
has been <sup>to see my</sup> ~~to see my~~  
has been <sup>to see my</sup> ~~to see my~~  
Mother, & has delivered  
your kind <sup>note of the 21</sup> ~~note of the 21~~  
petition. I unfortunately  
was absent at her visit,  
but hope to find her  
at the Patriarchate where

I have <sup>learned</sup> she is staying.

I need not add that it will  
be most agreeable to me  
to serve her in any  
manner in my power.

My brother is very much  
My Mother is very much

pleased to receive his  
phrase to receive her  
from acquaintance  
with Miss Elizabeth  
Crate.

I am always most happy  
to hear from you, and to  
be of service to you. I  
often hear of you from  
Franklin & others. I had  
little or nothing to do  
with Marshall whilst  
here. He served me &  
my office, except when  
he could not otherwise  
help himself. He served  
many as Gibraltar & at this

place, or rather drew drift  
upon persons who were  
his victims, & with  
whom he had no ends.

I made him disburse  
one of £40, or £50.

My Prison some  
little boys, are still  
in the U. S., and I  
hope to see them  
back in a month or  
six weeks. I have <sup>been</sup> ~~been~~  
<sup>appointed</sup> ~~appointed~~ Consul General <sup>for</sup> ~~for~~ all  
Turkey <sup>to remain</sup> ~~to remain~~ <sup>at</sup> ~~at~~  
Constantinople, <sup>at</sup> ~~at~~ Constantinople, <sup>at</sup> ~~at~~ Constantinople  
I know not, in addition

to my old office of  
Deputy. I suppose  
that my experience  
in the place, was  
the instrument.

These presents my  
respectful compliments  
to your family, & believe  
me,

Ever truly yours

John P. Brown
