

En 23  
Salonica, 5 June. 1858

My Dear Sir

I had the pleasure of  
writing a few lines by the last  
post. & now presuming on your  
usual kindness, am again  
induced to trouble you about  
a little matter, in which I am  
much interested.

There is a young boy here  
of about 7 years of age whose  
education I would wish to  
look after, and as unfortunately  
here we have no establishments  
to which I might safely confide

one

one so young, I would feel  
greatly obliged if you would  
let me know whether I could  
place him in your city with  
some parties from whom he would  
receive that care and attention  
which his tender years require  
and at the same time be given  
such preparatory instruction  
(particularly in English & French)  
as would enable him a few years  
later to join with advantage the  
regular schools.

If you would kindly  
make these inquiries & let me  
know the expenses it would

be necessary to incur, you  
will infinitely oblige -

I enclose you will find a  
letter for little Olympia -  
which please hand her.

With best compliments to  
Mr. Hill Believe me

My Dear Sir  
Yours very sincerely  
J. Matthews
