My Dear Dr. Still.

Allow me to greet
you & dear Mrs Still with a
happy new year & my earnest
wishes that you may see many
of them. Present my kind
greetings also to Mr. Baldrin
& Dr. Hays when you see him.

Character not returned

yet.

This note will be presented
to you by Mr Baines of
the Comm^t Department about
to proceed on service to
Greece. I recommend him
to your kindness, & feel
assured you will be gratified

in knowing him. She knows
these regions & fortunately
for his residence at Athens
speaks the Greek language

I dare say you may
remember his father Sir
E. Baines late Consul

Genl Tripoli.

Believe me My dear

Sir - Yours faithfully
