

Malta, May 6th 1856.

My Dear Sir -

Miss Bessie
Masson arrived yesterday
 and today she leaves our
 Island for Syria, where
 she will probably ar-
 rive, if the steamer has
 an average passage, on
 the morning of Saturday,
 the 9th. In your note
 you say you shall go
 to Syria, on that day, to
meet her, in which case
 all will be right.

But, however, this
 should not be the
 case, I give her a
 note to Mr. Pittman,
 which will put all

on a fair footing.

Mr. Muir has consigned
to me a case, containing
two telescopes, and after-
wards I saw Commander
Maxwell of the Ariel, who
told me he had sent
them to Lewis for you. I
consigned the case to Miss
Maffson, and hope it will
reach you in safety.

We have been very much
pleased with what we
have seen of Miss Maffson,
and I think you will
find her an acquisition
in your family.

Will you be so kind
as to consign the ac-
companying note to Miss

Baldwin, for whom Miss
M. has a small parcel
also -

Yours very truly
L. L. Lewis.

To

The Rev. D.^r Hill
Albany.

Commander Maxse
says he supposes there
will be a bill in the
case -

I enclose a note also
for Mr. Nicolais, in which
I have told him I have
returned his receipt to you -
L. L.
