My dear Mr. Hill,

Thanks for the  
Certificate of the £3  
paid for fire insurance.

I have just received  
a note from Mrs. Wipe  
in which she says,

"We are greatly put out"  
at not being able to leave  
on Friday in consequence  
of a telegram my uncle  
has received about the

Duke

Dutrie of Brabant's arrival  
in the "Banthee" on  
Saturday -"

Yours faithfully
