My dear Sir

W. Bell it appears has given notice of a sale at auction tomorrow of the piece of land - May I ask you if you have absolutely resolved not to purchase it for the Chapel? I understand that W. Bell is still willing to sell it for the Chapel site ^{for 200g} if it goes to auction it will no doubt bring more & will be bought

by Hepiter - Heidenstam
a some other of the name
-vous Seekey of the Spot.

I really can conceive
of no reason for suffering
it to go out of the hands
of the Chapel subscribers -
and should be glad to be
informed that you intend
to close with Bill -

If you do not intend
to take any step in the

Matter, have you any objec-
-tion to my going forward
to purchase it for the
purpose of offering it to
the Contributors for the
site of the English Chapel
at the price I gave first.
- If they do not accept
it, I will agree that it
shall be sold at auction
& whatever advantage may
accrue shall be Mr. Edie's
