Rev. J. St. Hill,
Athens,

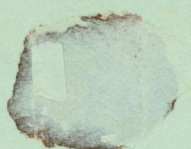

My dear Sir,

I have received directions from my Lante route Laurence Hayes & Co^s who have been requested by a particular friend to get the sum of £300 paid over to you, but my route does not name to me for whose amount, no doubt you are aware of this; the present serves therefore to inform you that I have this day directed Messrs Hoeshier & Co, to pay you said £300; please inform me when received, that I may acquaint my Lante firm.

I hope to hear from you that my youngsters are doing well, please present our regards to them, and believe me

My dear Sir
Yours very truly
