

8 March 1849  
Aldersgate Hall

Dear Sir I have to thank you for your very welcome  
assistance in the shape of a bill of 60 Pairs sent  
value £103:4:3 of which I have just received the du-  
PLICATE. there were no accounts in the cover. I know  
not how you will be able to make your mind up to this  
sad change of Lyons. it will indeed be very precious  
but it may have its advantages, for him after  
all in climate of repose. the chance of life will  
be very great. and there is no chance of a second  
revolutionary war being stirred up in the Cantons  
to annoy him. That of the long was the work of  
the Jesuits & their "Lectures" at Rome on  
the event as a great Calamity to the Religion.  
but they are put now for one while into a new power  
and however they, or their spirit, is acting in another  
form in Puseyism such is expanding I fear

among the best & most active & uneducated classes  
from 20 to 40 years old - we have just read my young  
friend Lord Fielding independently writing to the Bishop  
in defence of a Puseyite society & that the Bishop  
has just visited to stop of the Guardian & other  
organs full of the shame enquiry the B of Exeter  
has made into Miss Sellon's sisters of Mercy at  
Plymouth which is made like Goodwells sister  
House in London a mass humming & humming a  
Queen to good works & chartered services & turns a  
dry with Latin names & a cross all about the  
B of Exeter appears but the Latin & that the cross  
being "a moveable thing not fixed to the wall" was  
doubtful or Roman. His enquiry is a piece of  
Can get a Guardian I will send you one. The Queen  
Dorner has withdrawn her subscription but Miss  
Sellon from the Bishop calls Angelic will be read  
a Master & she and her Brother House and

My sisters will no doubt be immensely flattered to  
gifted There is no doubt they have done much good  
among a desolate & miserable population even  
up in the suburbs of Plymouth & Devonport  
we have overcome thanks to the new academy the  
Kersey crusade and our Normal Training School  
I am not engaged with me for the process, for which  
the money comes very slowly, worth owing to Plymouth  
influence - we have not yet begun to pull  
over the church, it is a great undertaking  
& we have not the money for that either & I fear  
in some panic lest a large balance may fall upon  
me - we have just had a sudden fall of snow  
which reminded me that a winter season  
you must be now enjoying. Hope to hear  
from you all health & spirit  
The farmers are alarmed at low prices but  
generally the country is thriving &  
the Government doing well.

We have both the material but  
otherwise will send love to all

Yours ever

Bruce Child
