 right they will please to
 describe

my bank of land instead of the
plot to be sold as I instructed
them so you will have to

fill in two portions of town:
= Dry - for I think the name
of the other street - is not
fixed - the shore is a shambles
I have been an hour with Lady
Franklin she has spent several
on this last ship Isabella
& still did not see her to us

By his strength, she is still gallant
& hopeful of Franklin's having
gone through - & would all

be taken in any town
