

Mr Potter

New York 2 Feb 1856

My dear Mother John

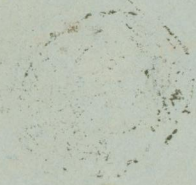

A few days since, a Quaker called  
 to see me - Constant Natselides, and left with me \$50  
 to remit to you for his Mother. therefore I now enclose  
 a check on demand for £10 - drawn by J. I. Stuart Esq  
 on Smith Payne & Smith - London. which you will  
 please hand over to Mr K's Mother. Mr K is pretty  
 well in health, rather low in means I think, but  
 has enough and a little to spare for his Mother  
 which surely is a great blessing. He resides at  
 Paynters - I have only time to say we are  
 all well. the last As for Chaucer were  
 quite favorable. Anne and the babe are doing  
 well, the wonderful Child is to be called Mamma

The News from England make every thing look  
 smiling here. I trust and pray that nothing may  
 occur to prevent a speedy peace -

Love to Anne, Fanny, & Elizabeth of  
 course - Uncle Potter, quite well, and perfectly  
 recovered - when I ask him how he likes the English  
 is - very well. I have no objection to complain -  
 Eliza & Anne are well. I have not seen Mr. Mollay  
 lately. He was looking remarkably well in fact  
 and Frederick was as well as usual.

I am

Your Affectionate Son  
J. Hunt
